

Introduction to Modeling Group Workshop

Achieve your goals one step at a time, WE SHOW YOU HOW!

Custom Designed affordable workshops for the constant challenges facing the model and talent in the industry today. These courses were designed to help build confidence, a positive self-image, along with social and professional etiquette.

When: _____ ([please check schedule for dates](#))

Where: 156 Granville St., Suite C, Gahanna.

Time: From 1-5PM.

What you will learn:

- ❖ **Fashion runway training**– How to walk with confidence. Stage presence, model stance, posture, and pivot turns. Behind the scenes of a fashion show. What to include in your “**model bag.**” You will be video taped and critiqued in a non-threatening manner during class. You’ll learn audition and interview techniques for industry castings and bookings.
- ❖ **Introduction into photo posing for photography modeling** – Basic photo posing techniques for ease in movement in front of the camera. Building a pose from head to toe. **Photo studio etiquette. Learning to work with props.**
- ❖ **Having fun with commercials** – “**Do you have what it takes to sell a product?**” Learn how to slate and “read” a script for a commercial audition. Discover the tricks of the trade and increase your call backs.
- ❖ **Your own ready reference workbook, includes valuable information to use for a lifetime.**

Pricing:

\$175 Class includes 4 hours of In-Studio instruction (\$50 deposit required to hold your spot).
